# HOW TO JOIN THE PPS FACEBOOK FORUM

There are just two simple procedures in order to achieve this. (Plus an optional one)

Firstly, you will need to have a Facebook account. In order to do this, please follow the steps below...

Go to www.facebook.com. The section at the top of the screen is where members normally log in. Towards the right side of the screen, you will see a 'Sign Up' section.

On here you will need to enter some basic information. Notice that it says email. If you do not have an email address yet, you can get a free one from www.gmail.com, www.hotmail.com or www.yahoo.com. After you have entered your information, click "Sign Up"

You will arrive on a page showing 'Step 1 – Find your Friends'. If you don't want to find friends at this stage click 'Skip this step' at the bottom right of the grey rectangle shape on the screen and also confirm by clicking 'Skip' on the pop-up window. Click 'Save & Continue' on the two successive windows.

Note, after you click 'sign up', you will be asked to verify a few words. Enter the words from the screen into the text box below it and then click "sign up" again.

Facebook will now send an email to your email account. You will need to go to this account and open up their email. The email will have a link which you will need to click on; this is just to verify that you are real. That's it! You are now ready to login to Facebook with your email address and chosen password. You can login by going to www.facebook.com, entering your email and password at the top of the screen, and then clicking 'Log In'.

Now that you have your Facebook account up and running, you are just two clicks away from being a member of the PPS Forum. At the top of your Facebook page you will find a search bar where you can enter the names of people, groups etc. Enter 'PPS FORUM' here and click the symbol to the right.

You should now see a list where you can find the PPS FORUM on it.

Here We Are!

Now all you have to do is click on the 'Join Group' button on the right.

You have now done everything and you just need to wait for Tony Collier to verify that you are a member of the Poulton Photographic Society and approve your membership to the forum… then you can join in all the fun with other members!

Good Luck and hope to see you soon!

OPTIONAL: TO REMAIN COMPLETELY ANONYMOUS

If you want to remain completely anonymous except for the PPS Forum members you can do so by following these instructions.

In the top right of the main window when you have logged into Facebook is a tab with your name, Find Friends and Home written on them and a small down arrow/triangle icon. Click on the arrow/triangle icon and then on Privacy Settings.
