30/11/2023	Martyn Mackie	Studio Portrait Workshop #1	Studio Portrait Photography (Demonstration of 'High' and 'Low Key' Lighting). Bring your cameras for the first of a series of 3 sessions focusing on portraiture.
07/12/2023	Steve Proctor DPAGB BPE5 PPSA	Talk To Me!	An exploration of working with people to create images to be proud of. Part one of the talk will cover aspects of a formal studio-based shoot from the planning, the shooting, the post-processing and sharing of the resulting images. He will talk about the technical aspects of the shoot but will emphasise the importance of collaboration between photographer and subject. Part two of the talk will then look at re-enactments, gatherings and more informal opportunities with a similar approach. Updated to include 'Remote' shooting.
